[ASI Points for visit odffsite Aniline pipeline asset.png](#)

Good afternoon Siân,

On behalf of Huntsman Polyurethanes (UK) Limited (**HPU**) we are writing to propose suggested site visit locations to be surveyed at the Accompanied Site Inspection (**ASI**), as requested to be submitted by the Examining Authority at Deadline 1.

The locations in question are as follows:

- Huntsman Polyurethanes Aniline site located on Wilton International to view limited available on site storage for the production of aniline.
- Huntsman Aniline export pipeline to Exolum Terminal, 3 main locations on Sembcorp property:
 - Sembcorp piping run south of NWL (sections are known to Sembcorp by the following nomenclature: Foxtrot, Papa and Quebec)
 - Tunnel 2 including headhouses
 - Connection between Tunnel 2 headhouse and Exolum Terminal

The pipeline in question has been marked on the attached drawing for the benefit of the Examining Authority and to assist on the day of the ASI.

The locations listed will need to be visited on an accompanied basis to enable access onto Sembcorp property.

If any further details and information is required then please inform us and we will provide any required clarity.

Kind regards,

Womble Bond Dickinson UK LLP

Rory Ibbotson

Paralegal
