In response to the ExQ1 queries to my client please note the following:

CA 1.8 - Please find attached a plan identifying Northern Powergrid's apparatus situated within the order limits.

CA 1.18 - (i) Northern Powergrid have been in discussion with the Applicant regarding their development and the impact this will have upon Northern Powergrid's apparatus. At a meeting on 9/6/2022, the Applicant confirmed that it would provide additional information to Northern Powergrid, within the next three months, to assist Northern Powergrid to assess the impacts of the proposed development on their network.

(ii) The solicitors for the Applicant and Northern Powergrid are progressing negotiations in relation to the protective provisions.
