Dear Planning Inspectorate

The Proposed Net Zero Teesside Project (EN010103)

Deadline 3 Submission

We are acting on behalf of Teesside Gas Processing Plant Limited (“**TGPP**”) and Teesside Gas & Liquids Processing (“**TGLP**”) in relation to the development consent application by Net Zero Teesside Power Limited and Net Zero North Sea Storage Limited for the proposed Net Zero Teesside Project (the “**Application**”).

TGPP and TGLP are both named in the Book of Reference (REP2-006) as Affected Persons. They have not been involved in the Examination up until now as they only recently became aware of the Application through discussions with another Affected Person. The Planning Inspectorate has confirmed that notice was sent to TGPP and TGLP at their registered office addresses but upon initial investigations they have not identified receipt of such notices. As such, TGPP and TGLP would like to reserve their positions on the Application whilst investigations into the affected land and land interests are undertaken, as well as the impact on their operations. We intend to submit a more detailed response on behalf of TGPP and TGLP at Deadline 4 on 7 July 2022.

We would be grateful if you could kindly acknowledge safe receipt of this letter.

Yours faithfully

For and on behalf of Shepherd and Wedderburn LLP
