Dear Sir / Madam

Planning Act 2008 and The Infrastructure Planning (Examination Procedure) Rules 2010 – Rule 17

Application by Net Zero Teesside Power Limited and Net Zero North Sea Storage Limited for an Order Granting Development Consent for the Net Zero Teesside Project.

Request for further information

The Examining Authority's (ExA) written questions (ExQ1) were issued on 19 May 2022 ([PD-012](#)). However the ExA notes that **Stockton-on-Tees Borough Council** (STBC) and **Hartlepool Borough Council** (HBC) have not responded to the questions directed to them. The ExA therefore makes a written request under Rule 17 of the Examination Procedure Rules for STBC and HBC to engage in the Examination and respond to the questions.

The ExA notes that **Redcar and Cleveland Borough Council** (RCBC) has provided a response to some of ExQ1 but the following is required:

- Answers to ExQ1 GH.1.1, GH.1.3, GH.1.7, NV.1.1 and NV.1.3;
- ExQ1 GEN.1.37 has not been adequately answered. Table 3.1 'Relevant Planning History' is on pages 12-15 of the original Planning Statement [APP-070] and on pages 13-16 of the updated version [REP1-003];
- PDF copies of the Conservation Area appraisals, as requested in ExQ1 HE.1.6.

STBC, HBC and RCBC are asked to provide responses to the questions no later than **Deadline 4**, Thursday 7 July 2022. If you have any queries about the questions please contact the Case Team using the details provided at the top of this letter.

Yours faithfully

Kevin Gleeson

Lead Member of the Examining Authority
