Compulsory Acquisition Schedule – Deadline 34

The following table sets out the persons listed in the Book of Reference, identifies whether they have submitted a representation in relation to the DCO application, identifies plots relevant to them, and the powers sought.

Names of parties who have submitted a relevant representation are highlighted in yellow, for ease of identification.

This document is provided instead of an update to Appendix 1 to the Statement of Reasons [AS-141], since this document includes more information than Appendix 1 and provision of both would be duplication of information. For ease of identification those parties who are listed in Appendix 1 to the Statement of Reasons include the phrase “SoR App. 1” after their name (second column). The Applicants will provide updated versions of this document only at each relevant examination deadline.

Key to the table (as provided by the Planning Inspectorate):

- (i) All parties listed in this table should be given a unique number in sequence.
- (ii) Reference number assigned to each Interested Party (IP) and Affected Person (AP).
- (iii) Reference number assigned to each Relevant Representation (RR) in the Examination library.
- (iv) Reference number assigned to each Written Representation (WR) in the Examination library.
- (v) Reference number assigned to any other document in the Examination library.
- (vi) This refers to parts 1 to 3 of the Book of Reference:

- Part 1, containing the names and addresses of the owners, lessees, tenants, and occupiers of, and others with an interest in, or power to sell and convey, or release, each parcel of Order land;
- Part 2, containing the names and addresses of any persons whose land is not directly affected under the Order, but who “would or might” be entitled to make a claim under section 10 of the Compulsory Purchase Act 1965, as a result of the Order being implemented, or Part 1 of the Land Compensation Act 1973, as a result of the use of the land once the Order has been implemented;
- Part 3, containing the names and addresses of any persons who are entitled to easements or other private rights over the Order land that may be extinguished, suspended or interfered with under the Order.

(vii) This column indicates whether the applicant is seeking compulsory acquisition or temporary possession of land/ rights.

(viii) CA = compulsory acquisition. The answer is ‘yes’ if the land is in parts 1 or 3 of the Book of Reference and the Applicant is seeking compulsory acquisition of land/ rights.
