Dear Sirs,

We act for Sembcorp Utilities (UK) Ltd (reference NZTP-AFP069).

Please be advised that our client wishes to speak (through its legal representatives) at the following examination hearings via Microsoft Teams:

- Tuesday 12 July 2022: Issue Specific Hearing 3 on the draft Development Consent Order
- Wednesday 13 July 2022: Compulsory Acquisition Hearing 2

Our client's oral submissions will expand on the written submissions already lodged at RR stage and DL2/3, primarily focussing on:

- i. the need for effective protective provisions in our client's favour to be included within the dDCO;
- ii. the established precedent for i. in the Dogger Bank DCO; and
- iii. how the continued success of Wilton and the wider Northeast England chemical clusters (and the weight to be given this) should be assessed when considering whether there is a compelling case in the public interest so as to justify the grant of compulsory acquisition powers over the Sembcorp Pipeline Corridor.

We look forward to receiving the Team dial in details in due course and would be grateful if you would kindly confirm safe receipt of this email by return.

Yours faithfully,

Tobias Shaw Paul
Associate
