Dear Sir or Madam

**Application by Net Zero Teesside Power Limited and Net Zero North Sea Storage Limited (the Applicants) for an Order Granting Development Consent for the Net Zero Teesside Project (the Project)**

**Deadline 6 Submission - South Tees Development Corporation**

South Tees Development Corporation (STDC) has submitted its responses to the Examining Authority's Second Written Questions (ExQ2) at Deadline 6.

STDC has the following comments on the Applicants' latest draft DCO [REP5-002 / 3] submitted at Deadline 5:

STDC notes that the Applicants have amended article 8 of the draft DCO to include a new sub-paragraph 14. STDC has been seeking an amendment to article 8 in order to know who has powers over its land. However, article 8(14) only provides that information to STDC after the transfer takes effect. STDC requests that article 8(14) is amended so that STDC receives notice "before" the Applicants transfer powers. This is in line with the drafting in article 8(9).
