1. Introduction

- 1.1 This Book of Reference ("BoR") has been prepared on behalf of Net Zero Teesside Power Limited and Net Zero North Sea Storage Limited ('NZT Power Ltd' and NZNS Storage Ltd or the 'Applicant'). It forms part of the application (the 'Application') for a Development Consent Order (a 'DCO'), that is being submitted to the Secretary of State (the 'SoS') for Business, Energy and Industrial Strategy, under Section 37 of 'The Planning Act 2008' (the 'PA 2008').
- 1.2 The Applicant is seeking development consent for the construction, operation and maintenance of the Net Zero Teesside Project ('NZT'), including associated development (together the 'Proposed Development') on land at and in the vicinity of the former Redcar Steel Works site, Redcar and in Stockton-on-Tees, on Teesside (the 'Site').
- 1.3 A DCO is required for the Proposed Development as it falls within the definition and thresholds for a 'Nationally Significant Infrastructure Project' (a 'NSIP') under Sections 14 and 15(2) of the PA 2008.
- 1.4 The DCO, if made by the SoS, would be known as the 'The Net Zero Teesside Order 2022' (the 'Order').
- 1.5 This BoR has been prepared pursuant to Regulation 5(2)(d) of The Infrastructure Planning (Applications: Prescribed Forms and Procedure) Regulations 2009 ("the APFP Regulations"). It describes all the land, and identifies all the interests, affected by the Order.
- 1.6 The land described in this BoR, which is to be subject to powers of compulsory acquisition and temporary possession, is required for the development to which the Order relates or is required to facilitate or is incidental to that development. The works comprising the authorised development are described in Schedule 1 to the Order (Document Ref 2.1) and shown on the Works Plans (Document Ref 4.4).
- 1.7 Every parcel of land that is affected is identified as a plot and a unique number has been ascribed to each plot. The plots are shown on the Land Plans (Document Ref 4.2) which accompany the Order, and are listed in the relevant Parts of this BoR.
- 1.8 This BoR is comprised of five Parts, in accordance with Regulation 7(1) of the APFP Regulations, as follows:
 - (a) Part 1 (Regulation 7(1)(a)) contains the names and addresses of each person within Categories 1 and 2 (as set out in Section 57 of the PA 2008) in respect of any land which it is proposed is subject to:-
 - Powers of compulsory acquisition;
 - rights to use land, including the right to attach brackets or other equipment to buildings; or
 - rights to carry out protective works to buildings;

Category 1 persons are defined as those who own, lease, or hold a tenancy in relation to or occupy the land (section 57(1) of the Act). Category 2 persons are those who have an interest in the land or have the power to sell and convey or to release such land (section 57(2) of the PA 2008).

- (b) Part 2 (Regulation 7(1)(b)) contains the names and addresses of those persons within Category 3.

 Category 3 persons are defined in section 57(4) of the PA 2008 and are persons whose land, whilst not directly affected by the authorised development, may be entitled to claim compensation under Section 10 Land Compensation Act 1965, Part 1 of the Land Compensation Act 1973 or Section 152 of the 2008 Act, for loss resulting from the implementation of the Order and use of the land once the Order has been implemented;
- Part 3 (Regulation 7(1)(c)) contains the names and addresses of those entitled to enjoy easements or other private rights (including private rights of navigation over water) which it is proposed may be extinguished, suspended or interfered with in connection with the authorised development, pursuant to the Order;
- Part 4 (Regulation 7(1)(d)) identifies land which is proposed to be used for the purposes of the Order and in which there is a Crown interest;
- (e) Part 5 (Regulation 7(1)(e)) identifies plots:-
 - the acquisition of which is subject to special parliamentary procedure;
 - which are special category land; or
 - which are replacement land.
