- Public Highway within Scheme

NOTE:

Public highways run through the Sunnica East Site, which are not part of the site boundary. These have been digitised based on the 1:1250 scale OS Mastermap.

Small areas of the Order limits are shown on some small sections of roads where works will need to be undertaken to accommodate construction traffic.

High voltage cables will be required to cross internal roads and to connect areas of the sites throughout. These are not shown on the plans.
