Dear Sir / Madam

Further to our notification from Sunnica on the 28 January 2022 regarding the Notice of Acceptance of an Application for a Development Consent Order by The Planning Inspectorate, having reviewed the Scheme Location (Figure 1-1: Drawing No. 60589004_ES_INT_001 Revision 0), I can confirm that the site lies outside the coalfield area and therefore the Coal Authority has no specific comments or is requested to be an Interested Party for this project.

In the spirit of efficiency of resources and proportionality, it will not be necessary for you to consult the Coal Authority at any future stages of the Project. This letter can be used as evidence for the legal and procedural consultation requirements.

Kind regards

Deb Roberts
