

The Infrastructure Planning (Environmental Impact Assessment) Regulations 2017

Certificate of compliance with regulation 16

I hereby certify that in compliance with the requirements under regulation 17 of the Infrastructure Planning (Environmental Impact Assessment) Regulations 2017 –

(a) notice of the application was given to the persons identified under regulation 11; and

(b) a copy of the accepted application, including the environmental statement and a map was given to the consultation bodies in accordance with regulation 16

in relation to the application for an order to grant development consent for the Sunnica Energy Farm (the Scheme), which is situated within the administrative areas of Cambridgeshire County Council; Suffolk County Council; East Cambridgeshire District Council; and West Suffolk Council. The Scheme is across four sites:

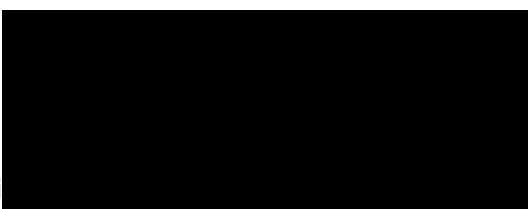

- Sunnica East Site A which is located approximately, 0.5 kilometres (km) south-east of the village of Isleham; 0.6km south-west of the village of West Row and 3.5 km east of the town of Mildenhall;
- Sunnica East Site B which is located immediately south of the village of Worlington; approximately 1km east of the village of Freckenham and 1.5km south-east of the town of Mildenhall;
- Sunnica West Site A which is located immediately north of the A14 at Newmarket and approximately 0.3km east of the village of Snailwell; 1km south of the village of Chippenham; and 1km west of the village of Kennett; and
- Sunnica West Site B which is approximately 0.5km north of the village of Snailwell; 1.4km south of the village of Fordham and 2km south west of the village of Chippenham.

The Scheme will be connected to the existing Burwell National Grid Substation, located west of the village of Burwell in Cambridgeshire. The cables will run between Sunnica East Site A, Sunnica East Site B and Sunnica West Site A (Grid Connection Route A), and then from Sunnica West Site A to, Sunnica West B and onwards to the Burwell National Grid Substation (Grid Connection Route B). An extension to the substation is proposed.

(Completed certificate to be received by the Secretary of State no later than 10 working days after the deadline date stating the applicant has fulfilled all the requirements at (a) and (b))
