Dear Sir,

In response to your request for comment.

On balance it does not seem appropriate to grant a delay for the reasons provided. The proposed change to the scheme is quite significant and would have thought it would require Sunnica to re-apply.

Since so much is unknown and out of their control it would appear they are over optimistic about the time required to properly consider, document and resolve issues of the proposed changes.

Sunnica should have fully explored option 3 at the outset. Not to have done so raises concern about their ability and competence to deliver and run such a significant national infrastructure scheme.

Regards
Sean McGinty
