Planning Act 2008 (as amended) Application by Sunnica Ltd for an Order Granting Development Consent for the Sunnica Energy Farm Request by the Applicant in Respect of the Timing of the Preliminary Meeting / Examination

Dear Sirs

Following your recent communication regarding Sunnica's plans for solar farm linking to Burwell substation, in view of their amended plans I feel that the whole project should be referred back to full consultation, due to the changes they propose.

If they cannot link to Burwell substation, then the proposal is meaningless as this was their main reason, I understand for putting such a large scale site around these villages.

Yours faithfully.
Angela Bishop
