Dear Sir/Madam,

I think that the preliminary meeting and therefore the start of the Examination should be delayed to give sufficient time for the local community to be properly consulted about the significant changes being suggested. The changes they are now proposing have not been part of the consultation process. The timetable suggested by Sunnica is too short and I will be away on holiday for part of that time. I will not have sufficient time to read any new documents and consider the impact.

Yours faithfully,
Geraldine Ciantar
