Subject: Delay of preliminary meeting
Date: 15 May 2022 14:47:36

20030748

The preliminary meeting for this proposal needs to be delayed as a very significant change is being proposed. Residents need enough time to have full access to all of the details of the scheme changes. I object to the rushed timetable being suggested by Sunnica for assessment evaluation and consultation on the new option 3.

If a fair timetable cannot be agreed the application should be withdrawn and then resubmitted once Sunnica have their plans in order.
