Subject: Sunnica request for delay
Date: 14 May 2022 07:28:58

Unique Reference: 20030242

You contacted me with information regarding Sunnica requesting a delay in processing their application.

I do not believe that a delay should be granted, Sunnica has had ample time to develop their plan. The request for delay appears to be as a result of poor preparation by Sunnica which has been reflected locally by their lack of clarity in their proposal.

Regards
J R Savage
