Kennett Parish Council voted on 16.05.22 to object to both the delay requested to the Preliminary hearing and the proposed timetable for the amendment for Option 3. This request has been caused by Sunnica not consulting properly with the National Grid, they have also failed to consult with National Rail and the Water Authority, despite the fact that it has taken three years to get to this point.

The timescale given for creating Option 3 is completely unrealistic given how the scheme has been managed to date.

Many Thanks

Sandra Dwan
