Subject: Request by Applicant to put Preliminary Meeting back to mid July
Date: 06 May 2022 18:23:06

Dear Mr Kean

Thank you for your clear letter of 4th May. I am pleased to know that you & your team are now in place & commend your use of the active voice in the letter.

Sunnica made this application knowing the rules & now want an extra couple of months to prepare for the Preliminary Meeting. I think that they should have got their plans in order by the due date. If they are granted one extension will they then ask for another? Also, if they haven't got their plans ready on time what else might they be getting wrong? This does not auger well for the rest of the process.

Unless there are compelling reasons that are perhaps beyond their control, I think you should reject their request.

Yours sincerely

Donald MacBean [redacted] on
