Dear Sir/Madam,

In response to Sunnica's request for delay and their explanatory letter of 28<sup>th</sup> April 2022, I wish to make the following objection:-

This issue indicates the lack of certainty and clarity in the whole scheme. If this fundamental part is not decided, and the applicant admits that they don't fully understand the reason for the issue or the feasibility of any alternative, then what confidence can there be in the rest of the scheme as submitted? If the scheme cannot be considered thoroughly feasible as it is, then it should be withdrawn.

Yours faithfully,  
Josie Jennings
