Dear Sir/ Madam

APPLICATION BY SUNNICA SOLA FARM TO DELAY THE PRELIMINARY
EXAMINATION MEETING

I feel that the changes proposed to this application and the time scale requested will not give adequate time for others to review or comment on the plans.

No details of the size or position of the Substation have been provided at this stage. So it is not possible to say what effect they will have on the surrounding area. THIS IS A MAJOR ALTERATION FROM THE ORIGINAL PLAN.

Without seeing the plans and arranging the appropriate surveys it is not possible to give a full response to these alterations. A great deal of money and time has been spent on reviewing Sunnica's proposals and now we are being asked to start over again or just accept the alterations without any adequate examination.

I FEEL THAT THE APPLICATION SHOULD BE WITHDRAWN OR GIVEN A LOT LONGER DEFERENTIAL TIME.

To provide a clear and full picture of the proposal, and adequate time for others to review and assess the alterations.

Yours sincerely

Elizabeth Garget
