Dear Sir/Madam,

I am writing in respect of the request by Sunnica to delay the Timing of the Preliminary Meeting/Examination due to the change of location for their proposed substation.

In response to your two questions:

1. Yes, the preliminary meeting should be delayed until at least mid July to give all parties time to assess the proposed change to the scheme.
2. The proposed timetable seems rushed, two weeks from now to consider the fundamental change.
3. Should the cost of the increased consultation be contributed to?

Kind regards

**Jack Smith**
