Dear Sir / Madam

## **Planning Act 2008 (as amended)**

### **Application by Sunnica Ltd for an Order Granting Development Consent for the Sunnica Energy Farm**

#### **Request by the Applicant in Respect of the Timing of the Preliminary Meeting / Examination**

I write to thank all who responded to our letter of 4 May 2022. This sought the views of Statutory Parties, Other Persons and Interested Parties, including Affected Persons and Category 3 persons, on the Applicant's correspondence in relation to its intention to make changes to the Sunnica Energy Farm project Development Consent Order Application (the DCO Application) and the request for a delay to the start of the Examination.

The responses received have been helpful to the Examining Authority and will be taken into consideration when deciding the next steps in the Examination of the DCO Application. The responses are now available to view on the [project webpage of the National Infrastructure Planning website](#).

Yours faithfully

*Grahame Kean*
