13th July

Dear Sirs

Sunnica Development Consent Order Application Timetable – Your Ref: EN010106

I am replying to the letter dated 28th June concerning the arrangements for the Preliminary Meeting and Proposed Examination Timetable. I am a member of the Say No To Sunnica Action Group Ltd and support the letter they have submitted in response to the 28th June letter. I would also like to say:

1/ The delays to this examination have been caused by the Applicant. They have a large professional team working for them and will be able to deal with the deadlines currently required during the holiday period of August. We as individuals are not so well placed. Holidays have been booked and arrangements made which cannot be altered and I consider we will be unfairly disadvantaged by the proposed timetable. I would ask that the deadline for written representations be moved back to 20th September so we can prepare our Written Reps properly.

2/ It will be unfairly complicated also to run the examination before the Applicant has submitted his altered DCO Application. It is daunting enough dealing with this procedure, but to try and run the two together will put us at a significant disadvantage in the process. We should be able to have adequate time to comment on the DCO application before submitting our Written Representation. As an item on the Preliminary Meeting Agenda is to receive an update on the application I can't see how this is going to be possible.

3/ I would like to request the right to speak at the Preliminary Meeting on 26th July and at the Open Meetings on 28th July.

4/ I would like to make the following suggestions for the Issue Specific Hearings:

- a/ Agricultural Land Classification (ALC). We have concerns that the ALC report submitted on behalf of Sunnica does not reflect the land quality we know surrounds our villages
- b/ The Carbon life cycle of the Sunnica Proposal
- c/ The unsatisfactory consultation process carried out by the Applicant
- d/ The consultation with the Traveller Community Permanent Caravan and Mobile Home Park Elms Road Red Lodge

I would like to reserve the right to speak at any of the specific hearings above.

5/ My suggested locations for Site Inspections

- 1/ Moulton Manor Reservoir
- 2/ Brookside stud
- 3/ Badlingham Farm
- 4/ Agricultural land at Isleham
- 5/ Elms Road Permanent Caravan and Mobile Home Park

Please confirm you have received this email.

Yours faithfully
