Subject: STATEMENT OF COMMON GROUND
Date: 05 July 2022 10:50:15

Hello,

I am acting Chair of Reach Parish Council which has registered an interest in the Sunnica Solar Farm enquiry.

I understand that requests to provide a Statement of Common Ground have been made to other Parish Councils that have similarly registered an interest. However Reach has not received such a request. Is this intentional? We are in consultation zone 1.

Yours sincerely,

Nick Acklam
