Dear Sir/Madam

I am writing on behalf of Isleham Parish Council to request clarification as to why we are not one of the bodies identified in the above document?

As we appear to be the only affected Parish not included on this document we trust that this is either a genuine error or that there may be legitimate reasons for our exclusion. As you will be aware however, Sunnica have refused our repeated requests for face-to-face meetings with residents of this Parish to discuss this project and so we are particularly keen not to be excluded from any aspects of the examination process

I look forward to your response
Kind Regards
Richard Liddington
Clerk to Isleham Parish Council
