Written submissions about how the application should be examined

Submission ID: 10526

The dates for the hearings - some of these are scheduled for 27th and 28th July for submitting key documents such as your Written Representations should be moved to a deadline of 30th August as Jul dates are not achievable and they are not fair.

Please not our previous concerns with the ExA in early May about key parts of the examination stage being pushed back into the peak holiday season as a result of Sunnica making late changes to their scheme and requesting a delay to the Examination proceedings.

Specifically, the Hearing on the draft Development Consent Order on the 27th July is too soon.

I would like discussed - the Impact on mental health of large communities need to be discussed at Issue Specific Hearings.

Please can you drive around all the villages affected to get a feel for the huge scale of devastation of encasing villages by this project please. These are Isleham, West Row, Badlingham/Snailwell, Red Lodge, Chippenham. The plans and important decisions need to be accessible to all.
