## **Planning Act 2008 (as amended)**

### **Application by Sunnica Ltd for an Order Granting Development Consent for the Sunnica Energy Farm**

#### **Accompanied Site Inspection (ASI1) itinerary – 29 September 2022**

The final itinerary for ASI1 can be found below.

Please note that the Examining Authority's (ExA) inspection of sites is **not** an opportunity to provide any oral representations on the project or discuss evidence. It is an opportunity for the ExA to look at the physical features that can be seen on, or from the sites. Participants may be invited by the ExA to point out specific features or sites of interest.

#### **Joining the site inspection**

The site inspection will take place in two parts – morning and afternoon. The meeting place for both parts is Red Lodge Sports Pavilion, Hundred Acre Way, Red Lodge, Bury Saint Edmunds IP28 8FQ. The morning part will start at 9:00 and the afternoon part will start at 14:00.

Those Interested Parties who have requested to attend ASI1 in accordance with our [letter of 31 August 2022 \[PD-014\]](#) will be contacted to confirm their attendance. Those attending are asked to assemble promptly as the ExA will not wait for parties who are not present at the start time.

To ensure the smooth running of the ExA's inspection, attendees should notify the Case Team if there are any changes in attendance and ensure the Planning Inspectorate is made aware of any special access requirements.

## **Clothing**

The inspection will include some walking on uneven or wet ground and weather conditions may vary during the day. Participants are therefore advised to wear suitable clothing and sturdy footwear. The Applicant will provide high visibility jackets.

## **Sites on private land**

Access onto private land is at all times by permission of the person controlling it; householders, occupiers and landowners may refuse to allow some persons accompanying the ExA onto their land. Under those circumstances, the ExA will decide whether or not to proceed with that part of the inspection and may ask those refused access to wait outside.

## **Refreshments**

Please note refreshments **will not be provided**.

## **Detailed itinerary for Accompanied Site Inspection**

The ExA has given careful consideration to the Applicant's draft itinerary [PDC-001] and confirms that the ASI will follow that itinerary, which can be found at:

<https://infrastructure.planninginspectorate.gov.uk/wp-content/uploads/projects/EN010106/EN010106-002881-PDC%20-%20Pinsent%20Masons%20-%20Deadline%20for%20receipt%20of%20Procedural%20Deadline%20C%20submissions.pdf>

and on the [project webpage of the National Infrastructure Planning website](#).

Those attending should note the details provided in the itinerary, particularly in respect of clothing, and health and safety. The Applicant will provide copies of the plans and photomontages listed in tables 1 and 2 and Figures 1 to 4 of the itinerary, for all attendees.

## **Cancellations**

Please note that in the unlikely event that any part of the Accompanied Site Inspection is cancelled we shall endeavour to contact attendees beforehand, but we ask that you regularly check the [project webpage of the National Infrastructure Planning website](#)

Yours faithfully
