SNTS AG Ltd wishes to attend all or any of the Open Floor Meetings. The matters we wish to speak about are enumerated in our submission for Deadline A Ref PDA-039 but are not restricted to those issues. Should any of these issues fall within the scope of a notified Issue Specific Hearing there may be no need to raise them at an OFH. Names of people to attend an OFH will be provided when an official notification of date(s) and agenda are available.
