1 INTRODUCTION

1.1 Book of Reference Introduction

- 1.1.1 This document is a Book of Reference (BoR) and accompanies the application for the proposed Sunnica Energy Farm submitted by Sunnica Limited (Sunnica or the Applicant) with its application for a Development Consent Order (DCO) under the Planning Act 2008 (PA 2008) (Ref. 1.1).
- 1.1.2 This document comprises part of the Application documents for the Order as required by Regulation 5(2)(d) of the Infrastructure Planning (Applications: Prescribed Forms and Procedure) Regulations 2009 (APFP Regulations) (Ref. 1.2).
- 1.1.3 The BoR is to be read in conjunction with the Land and Crown Land Plans submitted under Regulations 5(2)(i) and 5(2)(n) of the APFP Regulations and with the draft DCO. The Land and Crown Land Plans identify:
- All of the land within the Order limits required for and affected by the authorised development.
 - Parts of that land which may be acquired permanently under the compulsory acquisition powers within the Order Limits.
 - Land that will be subject to powers to acquire permanent rights.
 - Land in relation to which it is proposed to extinguish, suspend or interfere with any existing easements, servitudes and other private rights.
 - Land which will be possessed temporarily under the temporary possession powers within the Order Limits.
 - Crown land.
- 1.1.4 No special category land has been identified. The Crown land that has been identified is shown on the Land and Crown Land Plans.
- 1.1.5 The BoR is arranged in accordance with the requirements of the APFP Regulations. All of the Order land is located within the administrative areas of the counties of Cambridgeshire and Suffolk and the districts of East Cambridgeshire and West Suffolk.
- 1.1.6 The BoR is divided into five parts as prescribed by Regulation 7(1) of the APFP Regulations. Each plot is numbered uniquely and these plot numbers relate to the plots shown on the Land and Crown Land Plans. The first number relates to the sheet of the Land and Crown Land Plans on which the plot is located. The second number differentiates between each plot sequentially on that sheet.

1.1.7 The Land and Crown Land Plans show the numbered plots of land within the Order limits that are listed in the parts of the BoR. Each plot is coloured. The colouring serves to differentiate the powers sought over each plot within the Order limits. The powers sought are discussed in more detail in section 5.2 of the Statement of Reasons (document reference 4.1) but in summary:

- **Pink plots:** Freehold to be compulsorily acquired and in relation to which it is proposed to extinguish easements, servitudes and other private rights; and
- **Blue plots:** Rights (including restrictive covenants) to be compulsorily acquired and in relation to which it is proposed to extinguish easements, servitudes and other rights to the extent that their exercise is inconsistent with the rights to be acquired under the Order. The purposes for which rights can be acquired and restrictive covenants imposed is set out on a plot by plot basis in a schedule to the draft DCO.
- **Green plots:** Temporary use of land and during any period of temporary possession the exercise of easements, servitudes and other private rights are to be suspended.

1.1.8 The Applicant also seeks the power to temporarily possess all of the land within the Order limits and to suspend the exercise of existing easements, servitudes and other rights over the land during any period in which it is temporarily possessed.

1.1.9 All plot area measurements in this Book of Reference are approximate and are rounded to the nearest square metre.

1.2 Introduction to Part 1 of the Book of Reference

1.2.1 Part 1 lists all the plot numbers within the Order limits which are shown on the Land and Crown Land Plans. Part 1 contains names and addresses for service for every person who is known, after making diligent inquiry, to be an owner, lessee, tenant or occupier of the plot (known as Category 1 owners) or, is interested in or, has the power to sell, convey or release the land (known as Category 2 owners).

1.2.2 A person is within Category 1 if the applicant, after making diligent inquiry, knows that the person is an owner, lessee, tenant (whatever the tenancy period) or occupier of land to which the application for development consent relates; see section 57(1) and (7) of the PA 2008.

1.2.3 A person is in Category 2 if the applicant, after making diligent inquiry, knows that the person –

- Is interested in the land.
- Has power –
 - To sell or convey the land.
 - To release the land (see section 57(2) of the PA 2008).

1.2.4 This includes mortgagees, cautioners and beneficiaries that may have an interest in the land to which the application for development consent relates.

1.2.5 The land identified is described and, as required by regulation 7(1)(a) of the APFP Regulations, includes all the land identified in the Order that is proposed to be subject to:

- Powers of compulsory acquisition.
- Rights to use land, including the right to attach brackets or other equipment to buildings.
- Rights to carry out protective works to buildings.
- Powers of temporary possession.

1.2.6 The description of each plot also includes the reference to the principal land use power(s) sought in the draft DCO in respect of that particular plot:

- In respect of plots shaded pink on the Land Plans, where the Applicant proposes to acquire the freehold to the land, the plot description includes this wording: "All interests and rights in..."
- In respect of plots shaded blue on the Land Plans, where the Applicant proposes to create and acquire rights over land, the plot description includes this wording: "Acquisition of rights over...". For these plots only, text has been included in a 'Category of Rights Sought (where relevant)' column that has also been included within Part 1 to describe the type of rights powers that are sought. The categories in this column are identified using the same descriptor as is set out in Schedule 8 of the draft DCO.
- In respect of plots shaded green on the Land Plans, where the Applicant proposes to possess the land temporarily, the plot description includes this wording: "Temporary possession and use of land over..."

1.2.7 The three categories of wording described above cross-refer to articles in the draft DCO as follows:

- "All interests and rights in..." – the compulsory acquisition of land pursuant to article 18 of the draft DCO.
- "Acquisition of rights over..." – the creation and compulsory acquisition of new rights over land pursuant to article 20 of the draft DCO.
- "Temporary possession and use of land over..." – the temporary possession of land pursuant to article 27 of the draft DCO.

1.3 Introduction to Part 2 of the Book of Reference

1.3.1 Part 2 of the BoR is required by regulation 7(1)(b) of the APFP Regulations to contain “*the names and addresses for service of each person within Category 3 as set out in section 57 (of the Planning Act 2008)*”. A person is within Category 3 if Sunnica thinks, having made diligent inquiry, that they would or might be entitled to make a relevant claim as a result of implementing the Order, or as a result of the Order having been implemented, or as a result of the use of the land once the Order has been implemented. A relevant claim is defined in section 57(6) of the PA 2008 by. This means:

- A claim under section 10 of the Compulsory Purchase Act 1965 (Ref. 1.3) (compensation where satisfaction is not made for the taking or injurious affection of land subject to compulsory purchase), or
- A claim under Part 1 of the Land Compensation Act 1973 (Ref. 1.4) (compensation for depreciation of land value by physical factors caused by the use of public works), or
- A claim under section 152(3) of the PA 2008 where land is injuriously affected by the carrying out of the authorised works.

1.3.2 After carrying out diligent inquiries and having carefully assessed the likely significant environmental effects of the proposed Sunnica Energy Farm, the Applicant does not consider that any person would be entitled to make a claim under part 1 of the Land Compensation 1973 or under section 152(1) of the PA 2008 in relation to the following factors:

- Noise – in light of the results of a noise assessment carried out as part of the ES [EN010106/APP/6.1], there are no Category 3 land interests as part of the proposed Scheme. Further information on this is provided in Chapter 11: Noise and Vibration of the ES [EN010106/APP/6.1].
- Vibration – in light of the results of an assessment of vibration carried out as part of the ES [EN010106/APP/6.1], there are no Category 3 land interests as part of the proposed Scheme. Further information on this is provided in Chapter 11: Noise and Vibration of the ES [EN010106/APP/6.1].
- Fumes – in light of the results of an assessment of the proposed Scheme’s impact on air quality and the emission of fumes as a result of the proposed Scheme, there are no Category 3 land interests as part of the proposed Scheme. Further information on this is provided in Chapter 14: Air Quality of the ES [EN010106/APP/6.1] and Appendix 16D Unplanned Atmospheric Emissions from Battery Energy Storage Systems of the ES [EN010106/APP/6.2].

- Smoke – in light of the results of an assessment of the proposed Scheme's impact on air quality and the emission of smoke as a result of the proposed Scheme, there are no Category 3 land interests as part of the proposed Scheme. Further information on this is provided in Chapter 14: Air Quality of the ES [EN010106/APP/6.1].
- Light emissions – in light of the results of an assessment of the proposed Scheme's impact on visual amenity, there are no Category 3 land interests as part of the proposed Scheme. Further information on this is provided in Chapter 10: Landscape and Visual Amenity of the ES [EN010106/APP/6.1].

1.3.3 Part 2 of the BoR therefore includes all relevant interests with the potential to make a claim under section 10 of the Compulsory Purchase Act 1965 or under section 152(3) of the PA2008, by reason of having the benefit of a right or restrictive covenant over land within the Order limits that may be affected by the compulsory acquisition powers sought by the Applicant.

1.3.4 Consequently, Part 2 of the BoR does not refer to any interests in land that are outside of the Order limits.

1.4 Introduction to Part 3 of the Book of Reference

1.4.1 In accordance with regulation 7(1)(c) of the APFP Regulations, Part 3 lists the names of all those entitled to enjoy easements or other private rights over land (including private rights of navigation over water) which it is proposed may be extinguished, suspended or interfered with as a consequence of the authorised development.

1.5 Introduction to Part 4 of the Book of Reference

1.5.1 In accordance with regulation 7(1)(d) of the APFP Regulation, Part 4 of the BoR specifies the owner of any Crown interest in the Order land which is proposed to be used for the purpose of the Order for which application is being made. "Crown land" is defined in section 227 of the PA 2008 and includes interests belonging to Government departments among other Crown interests.

1.5.2 As a result of its diligent inquiries the Applicant has identified one Crown interest, Plot 4-03, belonging to the Secretary of State for Transport

1.6 . Introduction to Part 5 of the Book of Reference

1.6.1 In accordance with regulation 7(1)(e) of the APFP Regulations, Part 5 identifies land:

- The acquisition of which is subject to special parliamentary procedure under particular circumstances;
- Which is special category land (meaning land which forms all or part of a common, open space, National Trust land held inalienably and fuel or field garden allotments);
- Which is replacement land.

1.6.2 And for each plot of such land within which it is intended that all or part of the proposed development and works shall be carried out, the area in square metres of that plot.

1.6.3 Having made diligent inquiries no land has been identified that would be required to be included in Part 5. Where it is stated in Part 5 of the BoR that *“No land was identified which should be included in this part”*, this confirms that no special category land, land subject to special parliamentary procedure, and no replacement land is required.
