Fordham Parish Council

Deadline 10 submission - point of clarification

Fordham Parish Council is aware that Sunnica have stated that they consulted with us regarding scheme design / public rights of way in their response to a comment made by Fordham Walking Group REP7-075.

(Comment from Sunnica Ltd, page 26, REP8-022 - 8.108 Applicant's Response to Other Parties' Deadline 7 Submissions *"The Applicant respectively disagrees that paragraph 1.4.1 is inaccurate. A large amount of collaboration with stakeholders was undertaken by the Applicant to allow the design to be informed by local knowledge and expertise. This is also explained in the Consultation Report [APP-026]. The Applicant does acknowledge that it did not directly contact the FCWG however Fordham Parish Council were consulted at both the non-statutory and statutory consultation stages."*).

We wanted to make clear that Fordham Parish Council was not involved in any collaboration with the Applicant regarding the design of the scheme nor the impacts on local public rights of way. We would, of course, have welcomed such collaboration.
