Dear Sirs

Interested Party Number: 20031117

Following legal advice, please substitute the following for the wording contained in my e mail sent this afternoon (24th March 2023) at 14.04:

The Parish & Town Councils' Alliance (the Alliance) has been provided the Deadline 10 submissions on ALC and agriculture by SNTS and AG Wright and Son (Farms) Ltd in relation to the recent submissions by Natural England on ALC and agricultural issues.

We agree with the points made in those submissions in respect of this and join them in their objection. The ExA should understand us (the Alliance) to formally adopt the same submissions as made by SNTS on this issue.

Yours sincerely

Fiona Maxwell
