---

**Planning Act 2008 and The Infrastructure Planning (Examination Procedure) Rules 2010**  
**Application by Sunnica Energy Farm (“the Applicant”) for an Order granting Development Consent for the proposed Sunnica Solar Farm Project (“Sunnica Solar Farm”)**

**REQUEST FOR INFORMATION: Outline Historic Environmental Management Plan (oHEMP)**

Dear Sunnica Team

Thank you for your letter dated 23<sup>rd</sup> of August 2022. The final version of the oHEMP (document reference EN010106/APP/6.2) we received at Deadline 10 had not address our concerns– we still content that the oHEMP lacks a coherent approach to the management of the scheduled monument in W09. We stated we would be happy for a revised Method Statements to be submitted post-consent; however, this would need agreed with Historic England prior to works commencing.

I can confirm as of today to the best of my knowledge we have not received any further communication from the applicant, nor have we received an updated oHEMP or Method Statement. Broadly speaking we consider it would be for the applicant to provide these documents. We would however be happy to advise on any draft provided.

Kind regards  
Dr Will Fletcher
