Dear Claire

I hope this letter finds you well. I am writing to bring to your attention the contents of the attached letter from Reading Agricultural Consultants, signed by four soil experts who understand the Sunnica site. The letter confirms that the conclusions of Sunnica's soil report prepared on their behalf by Daniel Baird Soil Consultants Ltd is incorrect.

I ask you to please carefully consider this letter during the decision-making process.

Thank you for your attention to this important issue.

Yours ever
