Subject: Cadent Gas Relevant Representation

Dear Sir/Madam

I write on behalf of Cadent Gas in relation to the South Humber Bank Energy Centre DCO. Cadent submitted a relevant representation to hold its position in relation to a high pressure pipeline in very close proximity to the DCO limits. We have since received and reviewed further information from the Promoter which now enables us to withdraw this relevant representation as we are satisfied the scheme (based on the current proposals) will not adversely affect our high pressure asset. Should any plans change throughout the course of the Examination we would be grateful if you could please consult with us.

Kind Regards
Vicky
