Subject: South Humber DCO - Network Rail Infrastructure Limited - Submissions ahead of Deadline B [ADDGDD-Live.FID3314360]

Dear Sir or Madam

EN010107, Procedural Deadline B
IP Reference: 20025443

We refer to the DCO application (**DCO Application**) by EP Waste Management Ltd (**Applicant**) for the South Humber Bank Energy Centre Project. We are instructed by Network Rail Infrastructure Limited (**Network Rail**) in relation to the DCO Application.

The Applicant submitted a response to the Rule 6 letter dated 21 September 2020 requesting amendments to the Examination timetable, including the following changes:

Matter	Due Date	Applicant's Proposed Dates
Deadline 1	Tuesday 8 December 2020	Tuesday 24 November 2020
Deadline 2	Tuesday 22 December 2020	Tuesday 15 December 2020

Network Rail would like to object to the proposed amendments to the Examination Timetable. The proposed amendments leave insufficient time to properly review and comment on the Statement of Common Ground which Network Rail was only provided with on 19 October 2020. More generally Network Rail have been working towards the dates outlined in the draft Examination Timetable and the proposed amendments reduce the time available to produce the submissions required.

Kind regards

Charlotte
