Head of Team
Stuart Reston

Date: 06 February 2019

Dear Ms Jarvis,

**Land Use Planning Consultation with Health and Safety Executive
Town and Country Planning (Development Management Procedure) (England) Order
2015**

Planning application: DM/1070/18/FUL

Proposal: Construction of an energy from waste facility of up to 49.9MWe gross capacity including emissions stack(s), associated infrastructure including parking areas, hard and soft landscaping, the creation of a new access to South Marsh Road, weighbridge facility, and drainage infrastructure, on land at South Humber Bank Power Station | Land Rear Of Power Station Hobson Way Stallingborough North East Lincolnshire

Thank you for your email of 18 January 2019 seeking HSE's comments on this planning application.

The Health and Safety Executive (HSE) is a statutory consultee for certain developments within the Consultation Distance of Major Hazard Sites/ pipelines.

This consultation, which is for such a development and also within at least one Consultation Distance, has been considered using HSE's Land Use Planning Methodology. Consequently, **HSE does not advise, on safety grounds, against the granting of planning permission in this case.**

Yours sincerely

Kathryn Deakin
