Dear All

Thank you for the attached. I confirm on behalf of Network Rail Infrastructure Limited that it is content with the Secretary of States proposed definition of "specified works".

However, Network Rail Infrastructure Limited would like to request a small change to the proposed definition of "railway property", with the addition of the wording shown in red below.

Kind regards

Sarah

Railway Property - this term is not defined in Part 5 of Schedule 8 the DCO. As such the Secretary of State intends to use the following definition: "railway property" means any railway belonging to Network Rail and—

(a) any station, land, works, apparatus and equipment belonging to Network Rail or connected with any such railway; and

(b) any easement or other property interest held or used by Network Rail **or a tenant or licensee of Network Rail** for or connected with the purposes of such railway or works, apparatus or equipment;
