Good afternoon,

Norfolk County Council (NCC) has reviewed Appendix B.10 Response to WQ2.11.2.2(a) and does not have any comments on the pre-commencement works. It is in agreement that the pre-commencement works which fall within NCC's jurisdiction (4. Archaeological investigations and 12. Creation of site accesses) have adequate controls and no additional controls are necessary.

Best wishes,  
Alice
