in relation to the proposed provision to authorise the compulsory acquisition of additional land in connection with the material change sought to:

- amend the Order Limits for the Application to include additional land where the cable corridor passes through the FEP Phase 2 site;
- reduce the Order Limits slightly in the northern part of the FEP Phase 2 site;
- utilise the existing FEP access road and remove the separate new access that was proposed through to the FEP Phase 2 site; and
- include the option to use trenchless crossing under Church Lane to the south of the FEP Phase 2 site. This would also involve a small increase to the area of land over which rights are sought, which were previously subject to temporary possession only
