Dear Sir/Madam,

APPLICATION BY EQUINOR NEW ENERGY LIMITED FOR AN ORDER GRANTING DEVELOPMENT CONSENT FOR THE SHERINGHAM SHOAL OFFSHORE WIND FARM EXTENSION PROJECT AND DUDGEON OFFSHORE WIND FARM EXTENSION PROJECT THE EXAMINING AUTHORITY'S WRITTEN QUESTIONS AND REQUESTS FOR INFORMATION (WQ3)

Thank you for consulting with us on the Examining Authority's Second Written Questions which was received 26 May 2023.

This response is sent early due to the Environment Agency's project manager's absence on leave from 9 June 2023.

As there was only one question for the Environment Agency we have not tabulated this response.

Q3.24.4.1

The Environment Agency's revised and updated standard Protective Provisions were forwarded to the Applicant's legal representatives on 12 May 2023. The Applicant's representative has forwarded a response this morning (8 June 2023) to our legal team. Currently is not possible to comment until we have adequate time to consider these. We will advise the ExA of our position following review and further engagement with the Applicant's representatives.

Yours faithfully,
