ID	Cawston Parish Council Comment	Applicant Response
1	<p>Cawston PC regrets it has not been able to engage fully with this examination. This is because any available resource has been taken up in dealing with the continuing issues with Orsted and Vattenfall post consent.</p> <p>We do want to note our support for the detailed submissions made by the Norfolk Parishes Movement, Oulton PC, Mr Derek Aldous, et al. The impacts of these schemes on residents over time and the workloads on volunteer parish representatives cannot be overstated.</p> <p>We hope to give a more detailed contribution at a future deadline.</p>	<p>The Applicant acknowledges Cawston Parish Council's response.</p>
