# 1 GUIDE TO THE APPLICATION

## 1.1 Introduction

1. Equinor New Energy Limited (the Applicant) is applying to the Secretary of State under the Planning Act 2008 on behalf of Scira Extension Limited and Dudgeon Extension Limited for powers to construct, operate and decommission the Sheringham Shoal Offshore Wind Farm Extension Project (SEP) and Dudgeon Offshore Wind Farm Extension Project (DEP). This document provides a guide to the Applicant’s Development Consent Order (DCO) application (the ‘Application’) for the SEP and DEP.
2. This is a live document and will be updated when updates or revisions to existing documents are made and when new documents are submitted to the Planning Inspectorate.

## 1.2 Master Document List

3. The master document list table is set out on the following pages and provides a full list of all the documents submitted to date, indicating when the latest revision (if applicable) was submitted.
4. For ease of navigation these documents are grouped by volumes as set out in **Table 1**.

*Table 1 List of Volumes of Application*

Volume	Details
1. Application Information	Provides details of the specific application information required by the Planning Inspectorate
2. Plans and Drawings	Contains the plans which show where we propose to undertake work
3. (Draft) Development Consent Order	Outlines the legal powers sought by the Applicant to construct and maintain the Project
4. Compulsory Acquisition Information	Provides details of the powers of compulsory acquisition that are sought
5. Reports and Statements	Contains documents required to be submitted with the DCO application, including the consultation report
6. Environmental Statement	Contains information showing how the Applicant has assessed the potential impact on the environment
7. Photographs	Not Used
8. Additional information for specific types of infrastructure	Contains specified documents required to be submitted for an application for an offshore wind farm
9. Other Documents	Includes additional documents produced in support of the application
10. Pre-examination response to s51 advice and comments of the Planning Inspectorate	Documents submitted in response to pre-examination s51 advice from the Planning Inspectorate.
11. Documents submitted at Procedural Deadline A	Documents submitted at Procedural Deadline A

Volume	Details
12. Examination Submissions	Contains Statements of Common Ground, Draft Statements of Common Ground and updates on related negotiations.
13. Examination submissions	Contains new documents submitted to the Planning Inspectorate during the examination.
14. Examination submissions	Contains new documents submitted to the Planning Inspectorate during the examination.
15. Examination submissions	Contains new documents submitted for a non-material change application request.
16. Examination submissions	Contains new documents submitted to the Planning Inspectorate during the examination.
17. Examination submissions	Contains new documents submitted for a material change application.
18. Examination submissions	Contains new documents submitted to the Planning Inspectorate during the examination.
19. Examination submissions	Contains new documents submitted to the Planning Inspectorate during the examination.
20. Examination submissions	Contains new documents submitted to the Planning Inspectorate during the examination.

5. **Table 2** below identifies the associated electronic files for the documents produced for submission. This is a live document and will be updated when updates or revisions to existing documents are made and new documents are submitted to the Planning Inspectorate. The table identifies the category, document reference, title, submission date and version of the document. Columns will be added as necessary to indicate when the latest version was produced.
