10 July 2023

**By email only**

Dear Sir/Madam

## **National Infrastructure Planning: Sheringham and Dudgeon Extension Projects**

I write in response to the Examining Authority's Fourth Written Questions issued 29 June 2023.

### **Q4.4 Civil and Military Aviation**

#### **Q4.4.1 Effects on Radar and Defence Interests and Proposed Mitigation**

##### **Q4.4.1.2 Defence radar mitigation progress**

**Following the Applicant's submission, The Applicant's comments on Ministry of Defence Deadline 5 Submission [REP6-020], provide an update with specific timetable, setting out next steps and dates towards agreement within this Examination of a wording for a Requirement designed to secure the provision of appropriate mitigation of the impacts of the development on Air Defence radar systems.**

As set out in the Ministry of Defence (MOD) letter dated 6 July 2023, the MOD has no objection to this proposal, subject to any Development Consent Order that might be made containing:

- a requirement that would secure mitigation of any adverse effects on Ministry of Defence surveillance operations (requirement wording was provided at Annex A of the MOD letter dated 6 July 2023); and
- the retention of:
  - Condition 10 – Aviation Safety at Schedule 10 (Marine Licence 1), Part 2;
  - Condition 10 – Aviation Safety at Schedule 11 (Marine Licence 2), Part 2;
  - Condition 9 – Aviation Safety at Schedule 12 (Marine Licence 3), Part 2; and
  - Condition 9 – Aviation Safety at Schedule 13 (Marine Licence 4), Part 2.

The signed Statement of Common Ground – Document ref: 12.27 (Document no.: C282-OS-Z-GA-00005 Revision: B), a copy of which is attached to the email through which this letter has been submitted, identifies that the above stipulations have been agreed by the applicant.

I hope this adequately explains our position on the matter.

Yours faithfully

James Houghton  
Senior Safeguarding Manager
