----------	--	----------

1 The Applicant's Comments on the Ministry of Defence Deadline 7 Submission

1. The Ministry of Defence (MOD) submitted the following documents at Deadline 7:
 - Cover letter which sets out the MOD's updated position [MOD Reference: DIO10056799];
 - Response to the Examining Authority's Fourth Written Questions [MOD Reference: DIO10056799]; and
 - **Final Statement of Common Ground (SoCG) (Revision B)** [document reference 12.27].
2. The Applicant notes all matters raised in the MOD's Deadline 7 Submission and welcomes the confirmation that matters between the parties are resolved.
3. The Applicant and the MOD have been in continued dialogue throughout the development of the proposed Project. As noted in the MOD's cover letter, dated 6 July 2023, the MOD has removed its objection to the proposed Project.
4. The Applicant welcomed the DCO requirement wording provided in the MOD's Deadline 7 Submission which secures the need for ADR mitigation for RRH Neatishead only. The Applicant updated the drafting of Requirement 27 of the **draft DCO** [document reference 3.1] at Deadline 7 to reflect the wording provided (see **Schedule of Changes to Revision J of the draft DCO** [document reference 3.1.2]).
5. A final **SoCG with the MOD (Revision B)** [document reference 12.27] was submitted at Deadline 7 which confirms that there are no matters of disagreement outstanding between the parties.
6. The Applicant has no further comments to make with respect to its engagement with MOD, or the impacts on MOD assets and operations.
