Dear Louise,

Further to the submissions made on Monday in relation to the validation of the DCO, see *'The Applicant's Further Responses to the Examining Authority's Fourth Written Questions'* Appendix 1 (ID26-29), the Applicant has received confirmation from the Statutory Instrument Office that the validation process failed due to technical errors with the Statutory Instrument Office's checking process. Please see the attached email from the Statutory Instrument Office.

It has therefore not been possible for the Statutory Instrument Office to provide a validation report on this occasion but the Applicant has addressed all validation errors last identified.

If you have any questions, please do not hesitate to contact [REDACTED] as I am on leave for the rest of the week.

Many thanks,
Emma
