You don't often get email from natssafeguarding@nats.co.uk. [Learn why this is important](#)

In response to the Secretary of States request for an update I can confirm that constructive mitigation discussion continue between the developers are ourselves. We are not yet in a position to withdraw our objection but given current progress we would hope to be able to get to a place where we could withdraw, subject to the imposition of pre-construction conditions, early in the new year.

Regards,

Alasdair
