Dear Mr Wheadon

**RE: Planning Act 2008 and The Infrastructure Planning (Examination Procedure) Rules 2010
Application by Equinor New Energy Limited (“the Applicant”) for an Order granting Development Consent for the proposed Sheringham Shoal and Dudgeon Offshore Wind Farm Extension Project (“the Proposed Development”)
REQUEST FOR INFORMATION**

Thank you for notifying North Norfolk District Council, specifically in respect of paragraph 21 concerning a request for information regarding restricting night time HDD works.

Having carefully considered the issues raised, North Norfolk District Council deem that suitable controls and noise mitigation measures already exist within the Outline Code of Construction Practice (Revision G) regarding both standard hours of work and for nighttime works where there is a requirement for advance agreement and consideration of additional noise mitigation measures.

As such, North Norfolk District Council would not be seeking to request further DCO requirements.

Please can you confirm safe receipt of this email.

Kind Regards

Geoff Lyon (MTCP, MRTPI)
