Dear Mr. Wheadon

**Re: East Suffolk Council's response to the Sheringham Shoal and Dudgeon Offshore Wind Farm Extension Project – Secretary of State's Request for Information – November to December 2023**

Thank you for your letter dated 22 November 2023 inviting East Suffolk Council to provide comments by 20 December 2023 regarding the Secretary of State's request for information from Interested Parties.

We acknowledge within paragraph 21 of your letter that '*Oulton Parish Council, Broadland District Council, East Suffolk Council, Norfolk County Council, North Norfolk District Council and South Norfolk Council are invited to comment on the Applicant's response to the Rule 17 letter [REP8-052, ID 14, page 315], regarding restricting nighttime HDD works to emergencies to three locations only as specified by the ExA.*'

We have reviewed the relevant materials referred to in your letter and can advise that due to the considerable distance of the proposed works to East Suffolk Council's district boundary, we have no significant comments to make at this time.

I trust this is helpful.

Yours sincerely

**Philip Ridley BSc (Hons) MRTPI | Head of Planning and Coastal Management**  
East Suffolk Council
