Dear John

Sheringham and Dudgeon Extension Projects – EN010109

On behalf of Ørsted Hornsea Project Three (UK) Limited (**OH3**) and Ørsted Hornsea Project Four Limited (**OH4**), I am writing further to our response dated 20 December 2023 to your Request for Information (**the Rfi**) dated 22 November 2023.

In that response, I confirmed on behalf of OH3 and OH4 that negotiations had taken place with the Applicant on a cooperation agreement between (amongst others) OH3, OH4 and the Applicant.

I can now confirm that this agreement has been completed. Therefore, I can confirm that the objections of OH3 and OH4 to the above project are withdrawn and neither OH3 nor OH4 requires protective provisions to be included for its benefit in the DCO.

Yours sincerely

Thomas Watts

Commercial Project Manager
