Dear Sir/Madam
The Planning Inspectorate

Planning enquiry

Proposal: Scoping consultation and notification relating to the Medworth Energy from Waste Combined Heat and Power Facility

Site address: Medworth Energy From Waste

Further to your enquiry received on 6 December 2019, in respect of the above, the Local Planning Authority makes the following comments:

Although it is noted that the Secretary of State has adopted a Scoping Opinion, this letter is to confirm that Peterborough City Council had no comments to make on the scoping request.

I trust that the above advice is of use however should you have any further queries, please do not hesitate to contact me on the details shown at the top of this letter.

Yours faithfully

Mr A O Jones
Principal Minerals and Waste Officer
